

RIVERSIDE WEEKLY

“For as in one body we have many members, and the members do not all have the same function, so we, though many, are one body in Christ, and individually members one of another” *Romans 12:4-5 (ESV)*

Get to know Riverside staff! This week....**Kevin Maddocks!**

A childhood spent scurrying over Alpinesque rapids in northern Vietnam was adequate preparation for the life that lay ahead. Every toddler's dream is to teach music in Prague although very few accomplish it. My arrival here in August 2006 was greeted with great festivity... which ended only a few days ago. Since then I have watched the department maintain the glowing corona that Riverside students deserve.

Club Focus this Week. **The Chess Club!**

Now that the weather is getting colder and lunch breaks spent outdoors are a less attractive prospect, why not come along and enjoy a game of chess? If you don't know how to play, we will teach you. The Junior High Club meets on Mondays at lunch time in the ESL room.

Any Senior High students who are interested in joining an Autumn/Winter Chess Club, should see Mr Schmidt. If we have four or more people interested, and can agree on a time suitable for all, we will start a senior group.

Clubs and Activities - We need YOU!

Are you attending school clubs? Do you have any suggestions for clubs? We want to listen to what you want in regards to your extra-curricular activities, and to make them as relevant for you as possible. We might change some of the days and times of the activities, but we must know what you want.

Remember that House points are available if you attend a school club!

Please complete and return the activities questionnaire to your tutor teacher and if you have any ideas, beyond the questionnaire, please share them with your tutor teacher or see Mr. McGregor before the end of the week.
