## ANNOUNCEMENTS

**Santa's Grotto and Christmas Café** - the High School PTA will be discussing plans for Santa's Grotto and Christmas Cafe, at their next meeting on **November 4th, 0840**. Please come along if you would like to be involved in this fun event for the Riverside community.

**Grade 10 Interviews** - take place this week! Check with Mr Stine for your appointment time.

**Non-Uniform** - remember to have a note if you are not wearing the proper school uniform.

**School Bags** - please use your locker effectively so that you do not carry a large rucksack between lessons. It's bad for your back and we do not want our smaller students being bumped into by careless students.

**Record of Achievement Folders** - these folders are for Senior High Students and are kept in their Form Tutor Rooms. Students should record important certificates, documents and pictures in them so that when they leave they have a complete record to show off their achievements.

**Label your Fleeces and Sweatshirts** - please make sure your Riverside tops are labeled with your initials.

## COME OUT TO THE FIREWORKS!

This Saturday, November 7th at 1730, we will be hosting a fireworks display at the Riverside Primary School. Tickets cost 150kc and must be purchased beforehand at either the Primary or High School offices. (Children under 3 are free.) The tickets include entrance, hot entrée, side, hot drink, and of course, fireworks! There will also be a cash bar available. The fireworks will begin at 1800, so don't be late and miss out on this fantastic night!

## What's happening in the world?

Get to know Riverside staff! This week....**Alan Schmidt!**

I came to Prague in September 2000 after having been a Junior High teacher in a suburb of Cape Town, where I worked for twenty years. I have a degree in History and English literature, but have been a general class teacher for much of my career.

I joined the staff of Riverside as a Year Six teacher and then moved to the high school ESL post, just 4 years ago.

I have stayed in Prague since then because I have had total "job satisfaction"!

I love the opportunities for listening to music offered in Prague, as well as the possibility of travel around Europe.

Besides music and travel I also enjoy walking, reading, cinema and theatre. I am a member of the English Speaking group of Amnesty International in Prague, which gives me a small opportunity to take part in some sort of "social responsibility" activity.
