## WANT TO BE A BETTER READER? SIMPLY READ.

A dramatic landscape photograph of a mountain peak, likely El Capitan in Yosemite National Park, with a quote overlay. The image shows a steep, rocky cliff face on the left, with a few small trees growing on its side. The background is a vast, hazy valley with more mountain ranges in the distance. The sky is a soft, warm orange, suggesting a sunrise or sunset. A large, dark, semi-transparent rectangular box is centered over the image, containing the quote in white text. The quote is split across three lines, with thin white horizontal lines separating them. Below the quote, there is a smaller, dark red rectangular box containing the author's name in white text. At the bottom center, there is a small logo for 'quotefancy' consisting of two quotation marks and the word 'quotefancy' in a sans-serif font.

A reader lives a thousand lives  
before he dies. The man who  
never reads lives only once.

George R.R. Martin
