

# Hooray for Earth Day!

The Riverside School Eco-Council would like to present a celebration for

**Earth Day** Friday, April 22<sup>nd</sup>!

**Non-Uniform Day** - You can come to school without your uniform for a donation of 20 kc. Instead dress in green, brown or blue! The donations will be used to purchase a section of rain forest to add it to a preserve so it will not ever be cut down.

**Recycled Materials Art Contest!** - Make a sculpture, collage or project at home using **only** recycled materials. Sculptures should be brought to Mrs. Stine on Thursday or Friday morning. The artwork will be on show in the Lower School and Upper School Libraries for everyone to see. Remember to label your work with your name and class. Participants will earn Eco-Points for their class!

**Eco Events** — Throughout the day you will have a chance to earn Eco points for your class through making Eco-friendly choices, playing games at lunch, an assembly quiz and classroom activities! Talk to your teacher about other ways your class will celebrate this special day.

**Questions?**

Ask Mrs. Stine
