Wednesday, March 14

9:00-10:00am

We have invited Sabrina Evans and Kelly Myers, to return to Early Years to help all of us better understand our role as part of a team that raises responsible children. Kelly and Sabrina will also suggest some helpful tools that will help us transition the children between home and school environments. Discussion will also include finding common care and discipline practices at both school and home. There will be an opportunity for a question and answer time. Those parents who wish to join the follow-up session can ask more specific questions that address concerns with their own child.

This seminar will be in English. We offer this opportunity for 300czk per person. If you have paid for the evening session, there is no charge for the follow-up morning session. Space may be limited. Childcare is included, along with dinner for the children. Light refreshments will be available for the seminar participants. For more information or to REGISTER please contact Lenka at the Early Years office 245 005 095.
