# CAFETERIA INFORMATION

## Dear Parents,

The purpose of this leaflet is to familiarize you with the daily meal options provided by Fresh & Tasty, a division of the Zátiší Group.

Our mission is to listen to and learn from our families and students while we teach them how to make healthy choices.

All of our food is made exclusively from fresh ingredients; we make everything the very same day it is served (or, in some cases, the night before).

We are absolutely confident in the quality of our ingredients, and we invite you to come, see and taste our food, or visit our canteen anytime to see for yourselves!

### Initial information for registration

If you would like us to provide nutritious and delicious lunches for your child, please register for our system. We would like to kindly ask you to provide us also with a signed agreement for the processing of your personal data. You can do so by:

1. Visiting us in person in the dining room and collecting the registration form and agreement (available from the cashier or the floor manager).
2. Sending an email request to [riverside@zatisigroup.cz](mailto:riverside@zatisigroup.cz); the registration form and agreement will then be sent to you.

### What should I expect from the registration process?

You will complete a registration card where you enter your and your child's details plus any special dietary requirements that she or he may have. To make sure your child will receive lunch every school day, Menu 1 is set up as the default meal.

The registration allows you to administer your account very easily by logging into our website [www.freshandtasty.cz/riverside](http://www.freshandtasty.cz/riverside).

After registration, Primary and Junior High students will obtain a chip with a unique number which is then used for identification to collect lunch or to purchase any food and drinks we may serve in the dining room. Please make sure that your child brings the chip to school every day lunch is ordered for them.

In case you lose your chip, we will charge CZK 50 to issue a new one. In the event a student forgets the chip, they will be required to wait patiently until those students in the queue with chips are served before a manual trace of the student's name may be carried out in the cashier database.

### How can I pay for lunches?

You can deposit money into your account by:

#### 1. Paying in cash at the dining room in the morning hours

#### 2. Via a bank transfer to:
