BUS SERVICE REGISTRATION AND DAILY CHANGES

All parents receive a School Bus Application form. Please fill out the form if you wish to register your child for a school bus.

Should the child be registered for a line incurring a fee, the invoice will be issued by our Finance Department.

Daily changes can be made by 2 pm for the same day by email at transport@riversideschool.cz. Please contact the school office if any change needs to be made after the deadline.

FREE SHUTTLE ATTENDANCE

There is no fee connected with the Hradčanská and Early Years shuttle buses, and parents can choose when they wish their child to use this transport, even if the child is not registered for the bus service. However, the office (transport@riversideschool.cz) must be informed until 2 pm of those children taking the free morning shuttle bus and the afternoon shuttle buses (if not registered for regular use).

Riverside parents may use the Hradčanská bus, but only if there are free seats after all students have boarded.

YELLOW / GREEN / RED LINES

These lines incur a fee which is described above. We are unable to provide flexible service on these lines, and one-off attendance is not possible. The bus service must be booked in advance for the full term, not for individual days.

HEALTH AND SAFETY

Health and Safety is our priority for students using Riverside shuttle buses. We cannot leave students in the care of other parents unless we have received permission through a phone call or email. If parents are unable to collect their child at the bus stop, your child will stay on the bus under the supervision of the stewardess and will return to Riverside School.

Please read carefully The Transportation Policy.

Please inform us immediately if there are any health and safety concerns in relation to the shuttle busses.

JUNIOR HIGH AND HIGH SCHOOL STUDENTS

Junior High and High School students need book in advance if they wish to use a "step-on/step-off" service for the free shuttle bus service. For Junior High and High School students who use the step-on/step-off service, it is their responsibility to be at the bus on time or to make their own way home in the afternoon.

Please contact us if there are any changes to be made to your child's bus schedule or if you have any questions with regards to the bus service. Thank you for your cooperation.
