Application Procedure

- Visit the school and meet the Principal.
- Complete the online student application process through OpenApply.
- Pay the Application Fee of 10 000 CZK and the Deposit of 12 000 CZK.
- Pay the tuition by 30th June 2026.

Application Fee and Deposit

The Application Fee of 10 000 CZK is non-refundable and is paid as part of the application process. This sum covers the administration of a new student. To ensure a place for your son or daughter and to enable our forward planning to progress with some degree of certainty a 12 000 CZK deposit is also required with the application. Application Fees and Deposits are not refundable in the case of application withdrawal.

Payment of School Fees

School fees may be paid annually or termly (three times each year), before the commencement of each term. A discount applies to those fees which are paid on an annual basis before 30th June. Tuition fees for mid-year enrollment will be calculated based on the number of weeks remaining in the term. Partial weeks will be calculated as full weeks.

To ensure effective planning and resource allocation for the academic year, Riverside Administration assumes that students are enrolled for the full school year, unless an alternate arrangement has been previously agreed. In certain circumstances, an annual, non-refundable payment of school fees may be required to confirm this commitment.

[Invoices will be issued in June, December, and March. Payment of the fee is due by the date stated on the invoice.](#)

All payments received after the second full week of the school term will be surcharged at a rate of 1.0% per month, 12.0% per annum. Payments not received by the midterm break will result in the suspension of the student and the withholding of school records until the fee is paid. Parents should make known to school administration any difficulty they may have in making a prompt payment of the tuition fee.

Tuition Refunds and Return of Deposits

Refunds of tuition and the return of the deposit will be granted if all accounts have been settled in full, all school property returned, and required notice one full term prior to departure has been given (for example: notice must be received by the last day of Term 2 if the student is not returning the following September). Refunds are also granted to those students who are not offered admission.

Requests for the return of funds should be made in writing to the Business Office (finance@riversideschool.cz).

[Application Fees and Deposits are not refundable in the case of application withdrawal.](#)

In the case of mid-term departure: The full termly fee will be required. Partial term's tuition will not be refunded. Tuition fees which are paid annually are refundable on a pro-rated basis, based on the number of full terms remaining in the school year.

Reduced Tuition Scholarships

Riverside offers a limited number of Reduced Tuition Scholarships, based on demonstrated financial need, to support families who would otherwise not be able to attend. Applications for financial assistance should be made through the school Business Manager (finance@riversideschool.cz). Applications must be submitted annually for review, and will be considered based on available resources and the needs of all applicants.

Sibling discounts do not apply to those students granted alternative financial assistance.
